

One Day

at a

Time

By: IRIS

Everything
starts
with one
small step.

01

DAY

Profit from life's lessons.

02

DAY

If you are losing, revise a
non-working strategy.

03

DAY

Have a family time and as
well as a me time.

04

DAY

Insecurity will eat you slowly but surely. Making yourself better is the antidote.

05

DAY

Nobody wins in a
senseless argument.
Drop the topic and move
on.

06

DAY

Getting the job done is
satisfying.

Receiving compliments
from your customers
is rewarding.

07

DAY

Self-actualization covers
all jobs, careers and
passion.

08

DAY

Be a generalist and a
specialist at the same
time.

09

DAY

Bosses expect respect.

Staff expect trust.

10

DAY

Credit-grabbing ain't cool! Learn to share your spotlight.

11

DAY

The truth is, your staff secretly look forward to having small talks with you. Give it to them once in a while.

12

DAY

Gossiping and socializing
are two different things.

13

DAY

The formula is simple:

$$QP=QS+QP$$

Where:

QP=Quality People

QS=Quality Service

QP=Quality Product

14

DAY

Life is fluid, it changes all
the time.

15

DAY

Friendship starts with a
simple "Hello."

16

DAY

Reliability is not a hit or
miss.

17

DAY

Your health and safety
always come first.

18

DAY

Laugh at your mistakes
and learn from it.

19

DAY

Listen to that inner voice.

"Are you doing things
right?"

20

DAY

Be part of the solution.

Do not be part of the
problem.

21

DAY

It's a blessing to have
supportive mentors.

22

DAY

Just keep going. There will come a time when all your hard works will pay off.

23

DAY

Have a career and not
just a job.

24

DAY

Your favorite day of the week should dictate your pace.

25

DAY

If you have at least one
TRUE friend in the
workplace, you are
blessed!

26

DAY

Consume your holidays.
Take time to smell the
roses.

27

DAY

Leading people requires
extreme patience and
understanding.

28

DAY

Unspoken words are
more powerful, they
become actions later on.

29

DAY

Be somebody's hope.

30

DAY

Being unproductive will
give you insecurities in
the long run.

31

DAY

Give more than what a person deserves. He will work hard to prove that he is deserving.

32

DAY

There are a hundred ways
to motivate a person to
work smarter.

33

DAY

Happiest are those who
receive unexpected
blessings.

34

DAY

Be tough without being
sarcastic.

35

DAY

We are paid at work to be
productive.

36

DAY

Family always comes
first before everything.

37

DAY

Good leaders brighten up
our day.

38

DAY

Do not tolerate gender,
sexual preference and
sexual orientation
bullying.

39

DAY

Be part of the good
politics.

40

DAY

Emotions tend to
magnify a simple
problem.

Relax.

41

DAY

Bounce back after each
fall.

42

DAY

Compete with yourself.
Be better today than
yesterday.

43

DAY

Blessings come in all
forms and sizes.
Be grateful all the time.

44

DAY

When you love what you
are doing,
you will keep on
improving.

45

DAY

Your personal life is
yours alone.

46

DAY

Be somebody's sunshine.
Do not rain on someone
else's parade.

47

DAY

A little respectful
disagreement is healthy.

48

DAY

Be true to yourself even
when no one is looking.

49

DAY

The most important asset
of any organization is
their workforce.

50

DAY

Treat your workplace as if you're one of the investors and you'll find yourself careful not to overspend.

51

DAY

Happy thoughts produce
happy people that have
BIG hearts.

52

DAY

Be a good influencer.

53

DAY

Learn something new
each day.

54

DAY

When in doubt, ask.
Never assume.

55

DAY

Pray and believe that
good things will happen
to you.

56

DAY

At work, you can either
be somebody who is
respected or somebody
who is feared.

Pick your choice.

57

DAY

Misleading information
is a form of deception.

58

DAY

Treat each day as a work
in progress.

59

DAY

Tough times do not last
forever. Tough people do.

60

DAY

Nobody made it to the top
alone.

61

DAY

Teamwork means sharing the load and working on a common goal together.

62

DAY

Reliability and
consistency are
complementary.
Never take away
either of them.

63

DAY

Be data driven.
Do not guess.

64

DAY

Know your goals and how
to achieve them.

65

DAY

Master a task that no one
else does.

66

DAY

You do not miss what's in
front of you.

67

DAY

Bypassing someone is
disrespectful.

68

DAY

Think about your day's
accomplishments.

69

DAY

Some are happy
swimming in the seas.

Some are happy
swimming in a pool.
Their life, their choice.

70

DAY

Give 100% of your effort
in whatever work that
you do.

71

DAY

Skip the monotony.
Do something different
sometimes.

72

DAY

Do not force a
connection.

73

DAY

Smile.

It doesn't cost a cent.

74

DAY

You are your lucky
charm.

75

DAY

Give yourself multiple
chances to succeed.

76

DAY

Don't assume that you
are always in charge of
the situation.

77

DAY

Be resourceful.

Not everybody is
always available to help.

78

DAY

Stop the savior complex.
You are not Superman.

79

DAY

Learn the difference
between being generous
and being an enabler.

80

DAY

You are responsible for
your choices.

81

DAY

If you cannot have it,
do not steal it.

82

DAY

Unpopular opinion
can either
make you or break you.

83

DAY

Clash of egos may result
to long years of
animosity.

84

DAY

Most of us aim to have a house but forget that having a home is the best.

85

DAY

Surround yourself with
positive people.

86

DAY

Don't show up only
because you need the
other person.

87

DAY

Be a beautiful memory.

88

DAY

We are victims of our
own indiscretions.
If we want a positive
change, start from
within.

89

DAY

Nobody lives a charmed life. We all have our daily battles so don't compare your life with anyone.

90

DAY

Each day is unique because the things that happened yesterday cannot be replicated in exactly the same time, sequence and emotions.
